#### INSPIRATIONAL BIRDS AND TREES

wondrous creatures of in counties was.

The Birds are faccinating and enchanting creatures. Birds for high in the sky and teach us the lesson of freedom. We must overcome our feurs to reach for the stars. Blirds also inspire us to dream big and spread our wings. Even Humminghirdtiniest bird in the world, beats its wings 80 times per second which remind us that no matter how small we are we can still achieve great things in life with dedication

Moreover, birds also teach us the importance of perseversione. You must have heard about weaver bird. They earth Can you imagine exismake their nests with so tence of humans without wars.

much hard work. When we face challenges to achieve our gool, we must find a way by staying persistent and putting in our best effort.

Now, Let's talk about trees. Trees are very vital to maintain living conditions on the

trees? Trees make our life great by giving fruits, segetables, wood, shelter, clean air, etc. Trees inspire us with their strength and resilience. Even in the harsh weather conditions, trees stand tall against olds. Trees teach us to stay strong in the face of adversity. They also teach us selffreeness. When a stone is pelted at a tree, it gives us

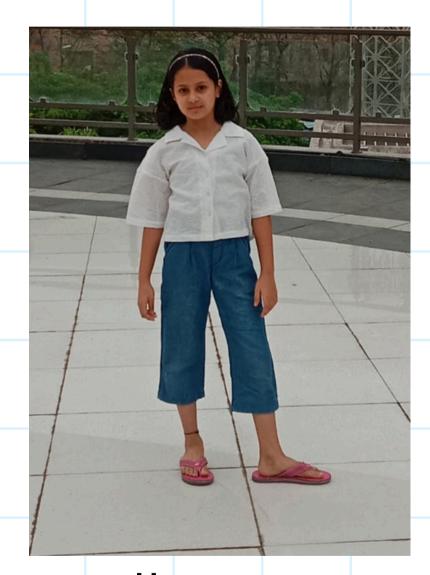

Today various restronmented tesses like drought, globel warming, podlution etc. are being faced due to deforestation. To resolve these issues, we have to take pledge that each one of us plant at least

Thus, Birds and Trees are important element of nature. which inspire us countless
