**The class XI children had planned and executed an excellent programme for their seniors.**

# **Republic Day Celebration**

**In the dawn's embrace, our tricolor unfurls,  
Our nation's heartbeat in every swirl.  
On Republic Day, with pride we stand,  
A symphony of unity, across the land.  
Parades echo tales of valour untold,  
A tapestry of cultures, vibrant and bold.  
As the anthem resonates, our hearts take  
flight,  
In the celebration of freedom's light.**

**Republic Day was celebrated in our school with zeal and patriotic fervour. The flag was unfurled by Director, Shri M G Paranjape and Principal, Dr. Anju Chopra. In his speech Director Sir stated that Republic Day is not only a reminder of the democratic values of our country but also a day to reflect on the progress made and renew the commitment to uphold the principles enshrined in the Constitution.**

**Principal, Dr. Anju Chopra reiterated that now it is time for our county to shine bright in the global world and we all must give our best always.**

**An Inter-House Patriotic Song Competition was also organised on this occasion, the children mellifluously sang about the greatness of our country and the valour of the soldiers. The results of the Patriotic Song Competition as well as the Annual House Positions were also announced by Principal madam.**

**Wishing a very happy Republic Day to all.  
Jai Hind!!!**

# An auspicious and blessed start for the CBSE Board Examination.

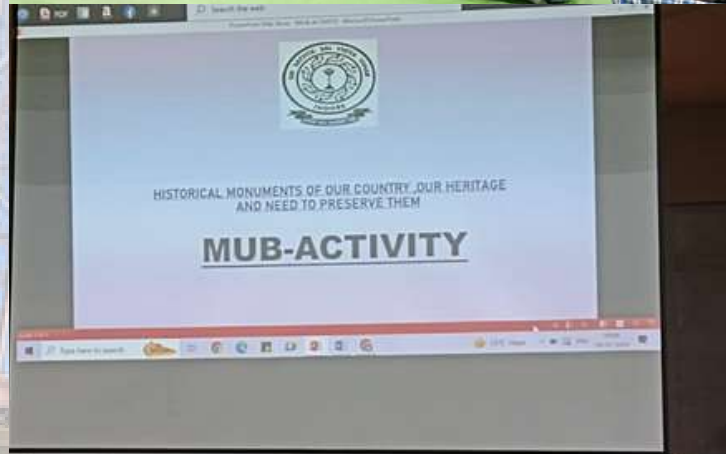

**"MONUMENTS ARE WORKS OF ART THAT STAND TALL AS TESTIMONIES TO THE HISTORY OF A SOCIETY."**

**Taking ahead the thread of MUB activity (for children of class V), an attempt was made to reiterate our rich heritage by a virtual tour through our historical monuments. Various ways and methods to preserve these monuments and keep them intact were also discussed.**

**Unfortunately, monuments don't receive the respect and honor that they deserve. We must see them as great works of art to be preserved for future ,an attempt was to create strong awareness among the children**  
**Students responded overwhelmingly with new ideas as their little yet effective steps to stop people from spoiling the monuments.**

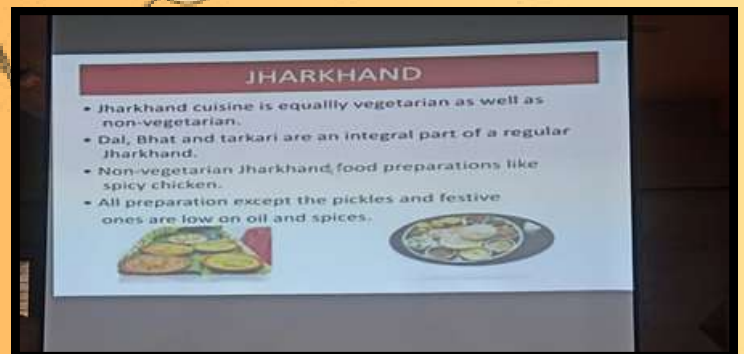

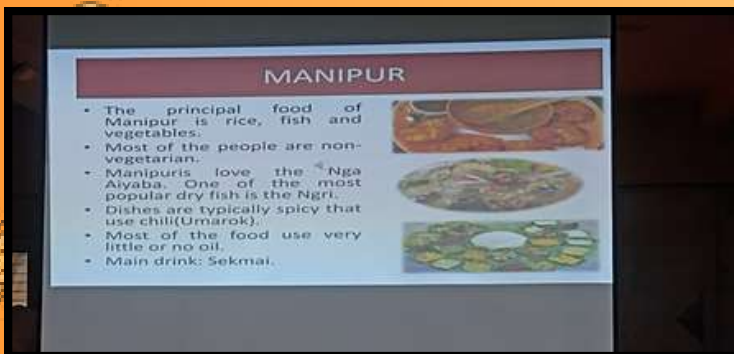

"A spoonful of curry and a dash of love that is what makes Indian food divine"

Taking the MUB Activity a step ahead, today the students of class V were taken on a Virtual Tour Of Foods Of India.

Another lovely dimension of our rich culture was introduced to them as the different cuisines of our country. They dived into the world of fragrant spices and exotic ingredients.

An attempt was also made to create awareness about healthy eating habits as our country introduces the world to healthy life style through healthy food.

**Children of class V delved deeper into our rich culture and learnt about "The Dances Of India" in the MUB Activity.**

**It was a very interactive session, students exchanged information about different forms of dances.**

**An Inter-Class Quiz Competition was organised for classes VI and VII. There were five rounds on the subjects of Maths, History, Science and Current Affairs.**

**The quiz masters, participants and the audience exhibited a great enthusiasm and zeal.**

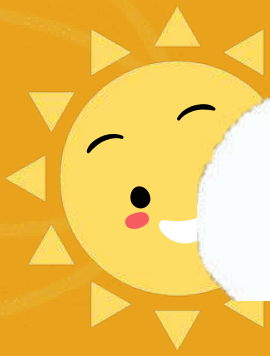

**Inter-House Cricket 🏏 Intramurals for classes V to VIII Boys were organised in school.**

**The Narmada House team won the 1st match by 13 runs and the Yamuna House win the 2nd match with 27 runs qualifying for the final match.**

**Congratulations 🎉🎉🎉**

**Our tiny tots of class I & II on an enjoyable and fun-filled day trip to Simcha.**

**The children of Bal  
Mandir and Senior  
school  
enthusiastically  
performed the  
Suryanamaskar on  
the occasion of  
National Youth  
Day to  
commemorate the  
birth anniversary  
of Swami

# COLOURS

Colours colours I like colours,  
Colours colours everywhere,  
The bed is red,  
The glue is blue,  
Link's logo is pink,  
Here is the orange sponge,  
Look! The queen is in green,  
Ah! The turtle is eating \*purple\* flower,  
& The baby is eating yellow marshmellow,  
Eek! The sack is black,  
Awesome! The sky above the cargo is rainbow,  
A splash of colours is enough  
To brighten one's day,  
A splash of colours is enough  
To end one's day,  
The colours of my life is so happily welcomed.

# TIME MANGEMENT

## Importance of Time Management in Our Life

It is not enough to be busy but we should always manage our time properly because the lost time is never found again. We should organize and plan how to divide our time for different activities. Time management is important in every aspect of our life such as....from getting ready in the morning, doing our academics, doing different activities, playing games, helping our parents till going to bed in time. Now a days, exam time is near and students have to study various subjects in limited time. So time management also plays a very important role to schedule our study within time so that we don't get stressed and pass with good marks. It will make us feel good. Our teachers and parents will always feel proud. In short, we can say the purpose of time management is to help us doing more and better in less time.

# "HOLI: A FESTIVAL OF COLORS, JOY, AND FAMILY BONDING"

Samayra Kothari  
2 D

India is land of festivals. Among all festival Holi is my favorite festival. On the festival of Holi, we celebrate the victory of good over evil . It also tells us about Prahlad's devotion to God. I and my family go to our farmhouse to play Holi. We make organic and eco-friendly colors at home using beetroot, spinach, turmeric etc. We buy water balloons and water guns to play and have fun .We all spend good time with each other.

# MY DEAR AUNT

At the heart of this family tree,  
There blooms a special flower  
She carries herself with confidence  
And is the symbol of girlpower.

Her wisdom, like water, runs deep and  
clear. My favourite aunt is always near.  
In the curtain of memories that we weave.  
Your thread is golden, not to leave.

In moments of sorrow you bring peace.  
Your love is like medicine that will never  
cease. My dear aunt, you're a rare, precious  
amethyst. You shine; You must have been  
Sunkissed.

So here's a poem A tribute to you  
For the love and joy You constantly brew

# **GRATITUDE**

**In the tapestry of time, a  
thread so rare  
Gratitude makes  
connections beyond  
compare. Fun with family  
or friendships true.  
Gratitude blooms in every  
hue.**

**Beneath the sky so wide.  
A heartfelt thanks, a sacred  
guide. With challenges  
faced, lessons learned, In  
the game of life, gratitude  
earned.**

# **EMBRACING FORBIDDEN FANTASIES: A JOURNEY OF SELF-DISCOVERY AND RESILIENCE**

**I had my journal empty cause I don't have many fantasies  
But at shady nightfalls I weave the golden threads of dreams on my  
fingers.**

**I am like the crimson rose in an emerald field of swaying tulips  
I engrave victories of small things as pricking thorns ,poisoning everyone  
by every sip**

**but as the cloak of dusk took over the sunlit sky  
I gazed wide eyed as my dreams took the shape of fireflies and flew high  
I smile my heart light as my wavering paperboat passed by  
The enthralling , dazzling Gateway of rainbows in the dream run and  
every child yearned to go to**

**But then everything I built in my Wonderland changed the more I grew.  
All the people who loved me to the Moon became a long lost memory like  
the stars**

**As they engraved their accusations on the feather soft petals of this  
delicate rose**

**They told me everything I spun in my dream land would disintegrate  
I will be like the lone cactus in a barren land left to the stake of fate**

**They filled by headspace with melancholy thoughts of defeat  
They watched gleefully as I built my Titanic to gaze at it as it sinks .**

**I set bars around myself and set fire to my own cage  
I converted my dreams into nightmare to haunt me for coonsage .**

**But then a single petal held on to the wilted rose  
I tried so hard to get rid of it but each time as the wind blew it refused to  
let go**

**As The rain of drowned hopes engulfed the valleys and sunshine of saga  
of never ending disappointments smiled upon me**

**And as a new scarlet petal blossomed I decided to let myself be me.  
Forbidden fantasies**

सुन रे मेरे मानव प्यारे

सुन रे मेरे मानव प्यारे,  
यह चाँद और यह सारे तारे,  
सुन यह संदेशा क्या लाते हैं,  
सुन यह हमें क्या सिखलाते हैं।

वक्त पर यह आते हैं,  
वक्त पर हो जाते हैं गुम।  
यही बात यह हमें सिखलाते हैं,  
वक्त पर ही हर कार्य करो तुम।

ना बादल इन्हें रोक सके,  
ना रोक सके इन्हें बारिश।  
तुम भी रहो सदा अपने लक्ष्य पर डटे,  
यही है इनकी ख्वाहिश।

समान रूप से सबको देखो,  
मत देखो धर्म या जात।  
सब को सम्मान देना सीखो,  
सिखलाते हैं यह यही बात।

सुन रे मेरे मानव प्यारे,  
यह चाँद और यह सारे तारे,  
सुन यह संदेशा क्या लाते हैं,  
सुन यह हमें क्या सिखलाते हैं।

दिल में हौसलों का तेज़ और तूफान लिए फिरते हैं। NAVYA JAIN 11th G  
आसमान से भी ऊँची उड़ान लिए फिरते हैं।

जो सीख मिली थी गुरुओं से  
अश्ररस तुम्हें याद नहीं,  
जो कर आए तुम गगन में  
वह सब के बस की बात नहीं।  
दुश्मन देश के जेटों की आवाज़ सुन  
अपना मिग-21 उड़ाकर निकल पड़ा था मैं।  
पीछा किया जेट का सरहद पार तक  
और मार गिराया एफ-16 को।  
आखेट का किया आखेट।  
यह सब के बस की बात नहीं,  
दुश्मन देश सोच रहा होगा  
कि अगर एफ-16 मर्सिडीज है  
तो मिग-21 स्कूटर

लेकिन उसे क्या पता था  
कि इस वीर योद्धा के हौसलों के आगे तो एफ-16  
भी निरर्थक है।

मिग-21 ध्वस्त हो गया  
और कूद पड़ा मैं दुश्मन की सीमा में  
न दर था न ही कोई आशंका  
जब दुश्मनों ने मुझे घेर लिया  
उनसे राज़ छिपाने को मैं  
कागज तक भी निगल गया।  
जब उन्होंने मुझसे प्रश्न किए  
तो मैंने अपना परिचय  
कुछ इस प्रकार दिया  
कि नाम मेरा अभिनंदन है।

मैं भारत का रहने वाला  
चाहे जितना मर्जी कोशिश कर लो  
मैं कुछ नहीं उगलने वाला  
यह कार्य तुम्हारे सिवा  
और कौन कर सकता था।  
गर्व है पूरे भारतवर्ष को तुम्हारे इस  
अदम्य शौर्य और साहस पर।  
बाँध जीत का सहारा तुम लौटे वतन को।  
किया वंदन भारत मां के अभिनंदन को।  
वीर गाथा लिखी जो तुमने  
और सम्मानित हुए तुम वीर चक्र से
