

Sri Sathya Sai Vidhya Vihar, Indore

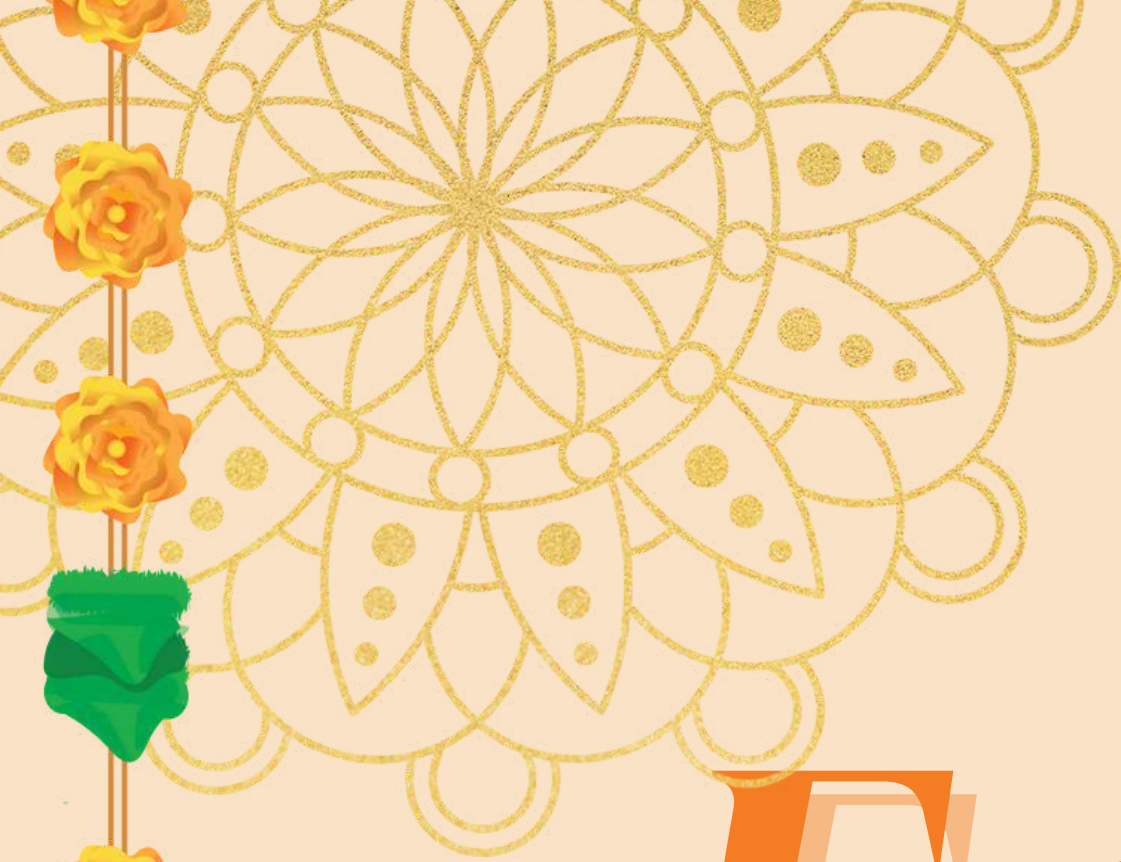

ACHIEVEMENTS AUGUST - 2025

*"The development of the society, the state and the nation
is proportionate to the development of the Human."*

– Bhagwan Sri Sathya Sai Baba

Educator's

Achievements

Principal, Dr. Anju Chopra was invited as a distinguished resource person at Laurels International School for a capacity-building workshop for around 100 teachers on "Adapting to the Traits of 21st Century Learners"

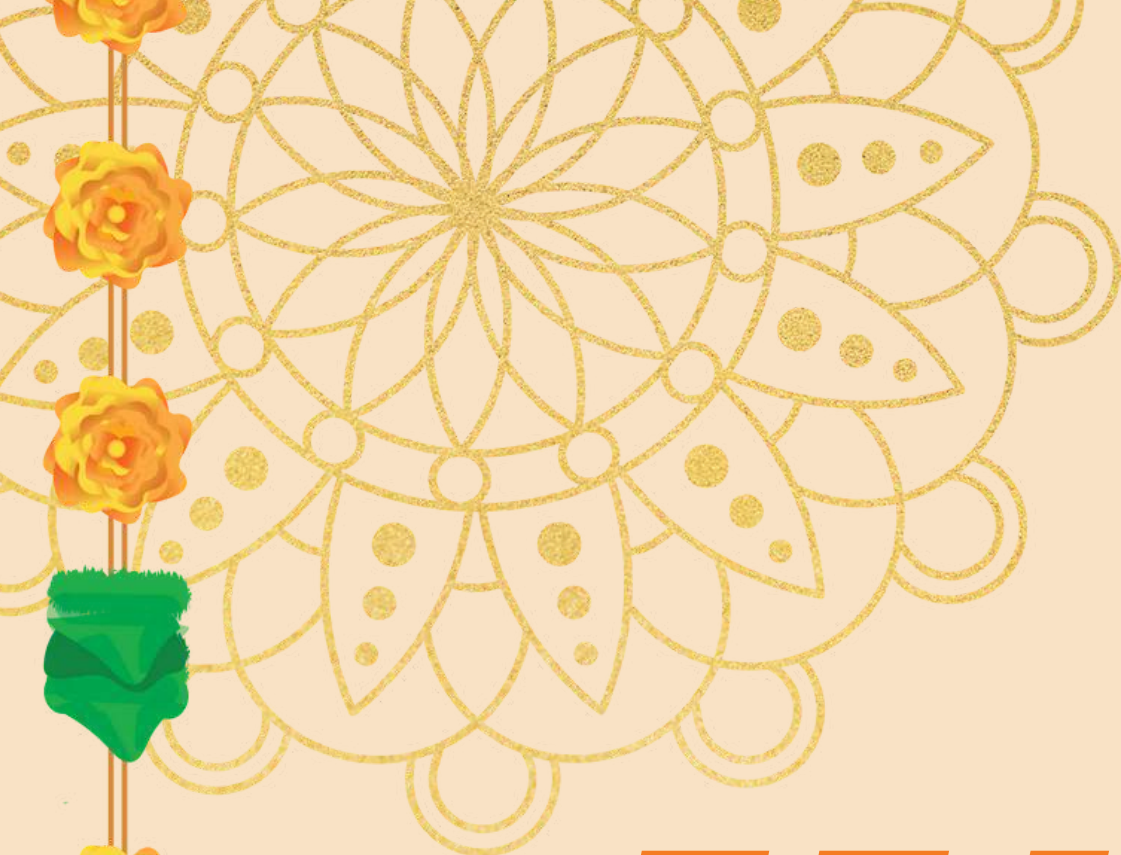

It is a matter of great pride that **Ms. Rachna Gupta**, our Chemistry faculty had been selected as a founder member of the Chemistry Teachers Advisory Board (CTAB) at the Centre of Creative Learning (CCL), IIT Gandhinagar.

She was one of eleven teachers selected from across the country to attend a 3-day CTAB Chemistry Workshop held from 29th to 31st July 2025. The workshop focused on making chemistry learning more engaging and experiential through hands-on pedagogy.

As part of this initiative, a Chemistry Experiment Kit comprising over 30 activities aligned with the curriculum for Classes 8 to 12 has been provided to the school.

Participants were also introduced to a variety of innovative chemistry activities and had the opportunity to visit IIT Gandhinagar's state-of-the-art laboratories, gaining valuable insights into current research practices.

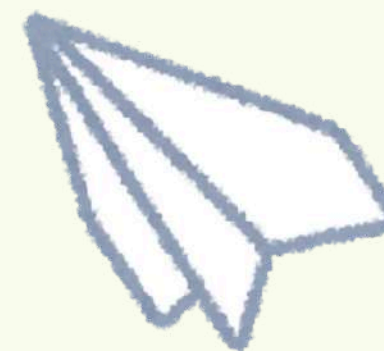

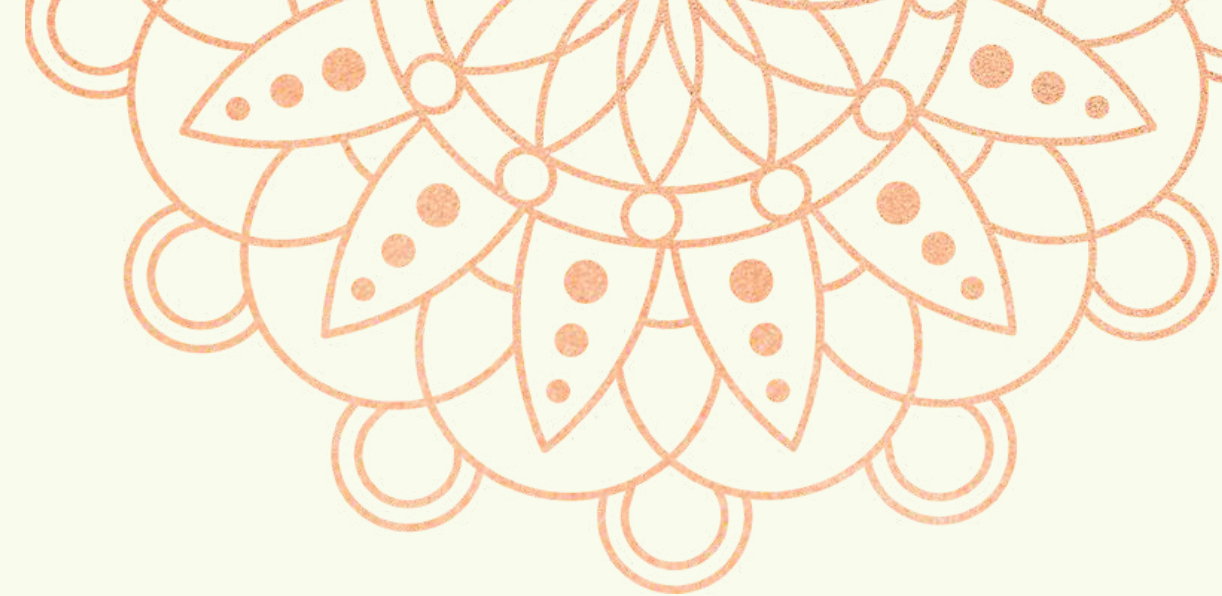

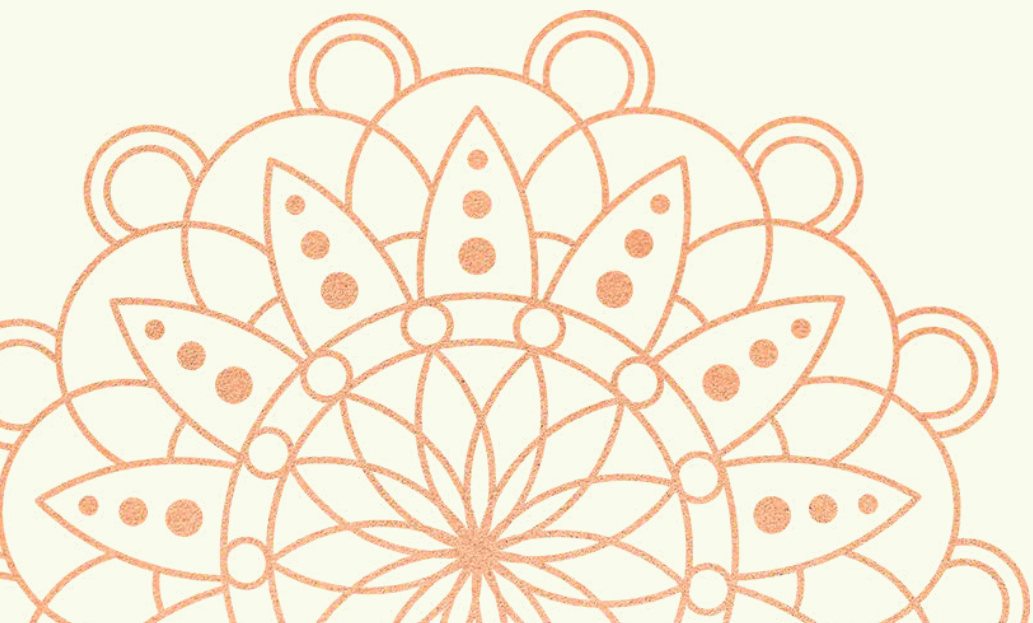

Welcome to
Bal-Mandir!
