## FAMILY FEAST

Father came with veggies bright,  
And curd so fresh, a lovely sight.  
Bua and I with laughter light,  
Mixed them well to make raita right.  
Baba sat with knife in hand,  
Cutting salad crisp and grand.  
I mashed potatoes, soft and neat,  
Ready for parathas, warm to eat.  
Grandma made the dough with care,  
Rolling love in every layer.  
Mother cooked with magic art,  
Aloo parathas—straight from heart!  
Then we gathered, one and all,  
Big and small in dining hall.  
Smiles and chatter, joy and cheer,  
A family feast we hold so dear!  
"A happy family eats together!"
