MR. RANIL WICKREMESINGHE

Ex. President & Prime Minister of Sri Lanka

'Indian Ocean is one place on the face of this Earth where all the dreams of living men have found a home from the very earliest days when began the dream of existence.'

The school was a proud host to the illustrious Mr. Ranil Wickremesinghe, Ex. President & Prime Minister for a talk on 'Shared Heritage - India & the Indian Ocean' in the presence of Dr. Ramesh Baheti, Chairman, Sri Sathya Sai Vidya Vihar, Mr. M G Paranjape, Director, Mr. Tribhuvan Sachdeva, Hon. Secretary, CA Mr. Shyam Bhatia, Hon. Treasurer, Dr. Anju Chopra, Principal , parents and other eminent guests.

He highlighted the timeless connection that the vast oceanic link provided between the two nations, India & Sri Lanka dating back to the ancient Indus Valley, Harappan & Mesopotamian civilization. The link has proven fruitful beyond measure. He also stated that the cultural similarities between India & Sri Lanka create a beautiful and lustrous necklace of shared heritage. Sir, patiently answered the queries of the children. It was an extraordinary opportunity to learn from the wisdom of Mr. Ranil Wickremesinghe.

BABA'S 99th Birthday Celebration

The 99th Birthday of our Divine Master, Sri Sathya Sai Baba was celebrated with fervent devotion.

The programme began with the mellifluous devotional songs by the school choir. The audience was awestruck by the impressive band performance by the school band.

Mr. Tribhuvan Sachdeva shared insightful life lessons given by our Baba.

'CLIMATE CHANGE & CORRECTIVE ACTIONS' SESSION

The children of classes V-XII had the privilege to attend a very inspiring and an eye-opening session on '6 point understanding of Climate Change & Corrective Actions' by the distinguished educator, researcher and an innovator, Mr. Chetan Singh Solanki, Professor, IIT Mumbai, Founder, Energy Swaraj Foundation and Brand Ambassador of Solar Energy, Government of Madhya Pradesh. The school auditorium reverberated with happiness and energy. Sir discussed the 6-point agenda: What has changed? Why has it changed?, Who has changed it? When to start correcting it? How to correct it? & What an individual can do?

Professor Solanki reiterated that the climate change has already happened and our planet is now ailing. As the climate clock is ticking, it is time now for drastic and immediate action to reverse the changes so as to leave a healthy planet for the future generations. This will only be possible when we start limiting our energy usage by putting in a conscious effort to reduce energy consumption by 20%.

Currently he is on a 100 days 'Indore Climate Mission' to make Indore No. 1 in the world in collectively cleaning the invisible garbage of carbon emission.

Sri Sathya Sai Vidya Vihar, Indore pledged to wholeheartedly contribute to the mission of making our city no 1.

Professor Solanki patiently solved the queries of the children after the invigorating session.

ANNUAL FUNCTION SENIOR SCHOOL

The Annual Function 2024-25 was a grand success with the bountiful blessings of our Beloved Baba. It was an honour to have the distinguished Senior Journalist, News Anchor, and Author, Padmashri Rajdeep Sardesai, as the Chief Guest.

In keeping with the school's tradition of recognizing teachers who have completed 25 remarkable years of service, Mrs. Jaspal Vishwakarma was honoured with the Long Service Award. The award ceremony took place in the esteemed presence of Chairman, Dr. Ramesh Baheti, Hon. Secretary, Mr. Tribhuvan Sachdeva, Hon. Treasurer, CA Shyam Bhatia, and Principal, Dr. Anju Chopra. Mrs. Jaspal was presented with a Citation and a cheque of Rs. 1 lakh.

Additionally, the ceremony celebrated the outstanding achievements of students. Master Ishan Shrivastava was awarded the Academic Excellence Award, Ms. Sanvi Choudhary was conferred with the Rajkunwar Baheti Award, Mater Atiksh Gupta received the Lt. Gautam Jain Award, and Mr. Amit Garg was bestowed with the prestigious Sai Student Award. Each recipient was honored with a Citation and a Gold Medal.

Padmashri Rajdeep Sardesai appreciated the performances and reiterated that education is a noble cause. To change the face of Bharat, we must ensure that all get equal opportunities, and passion and perseverance are the keys to success. He further stressed that the future is of those who take people together, we all must rise above religion and caste and face the challenges in a unified manner. His loving advice to the children was to enjoy their best days as childhood is the most treasured phase of life -live in the moment; enjoy the moment.

The highlight of the evening was the captivating dance drama 'Kar aur Paa', which beautifully emphasized the significance of hard work in achieving success. The mesmerizing performances by the School Orchestra and the School Band (Sai Symphony) were also met with widespread appreciation.

ANNUAL FUNCTION BAL MANDIR

The Bal Mandir Annual Function was brimming with mirth and merriment. The little munchkins left everyone spellbound with their performance - 'कुछ बात है कि हस्ती मिटती नहीं हमारी', a tribute to the rich culture and legends of the land that keeps the flag of Bharat flying high.

Renowned singer Mr. Prassan Rao recreated the magic of the 'Golden Era' of music with his mellifluous songs of the legend Mohammad Rafi sahab and soulful bhajans.

The highlight of the evening was the impressive 'Sai Symphony' by the little musicians. They amazed the audience with their deft movement on the varied musical instruments.

The cutie pies of Montessori won the hearts of the audience with their power-packed performance.

Joy of giving

Sr. Montessori children

Little Hands, Big
Hearts: Children
Making a Difference

JOY OF GIVING

'Joy of Giving' is a programme initiated by Sri Sathya Sai Vidya Vihar, Indore to express empathy and love for the underprivileged. Blankets and other goodies were distributed by the children of class VII, Principal and teachers to the residents of the nearby slum to help them combat cold.

SAANJH

Book Swap

Over 300 people joined Saanझ's annual Book Swap, organized by Bhavika Agrawal with Ritika Garg and Aishwarya Jain. Over 15 students from grade XI volunteered as well. 600 books were collected to be donated for charity! Along with the swap, the event featured exciting fundraising activities like block printing, crochet, and bracelet customization, plus delicious brownies and cookies. Their efforts have been recognised by renowned media houses. A huge thank you to all who supported this meaningful community effort!

INDORE CLIMATE MISSION PRESS CONFERENCE

Principal, Dr Anju Chopra had the privilege to attend a special press conference organised regarding the Indore Climate Mission initiated by Hon. Mayor, Shri Pushyamitra Bhargava in collaboration with Mr Chetan Singh Solanki, Prof. IIT, Mumbai, hailed as Solar Gandhi.

She handed over the pledge on behalf of the Management, Staff & children to wholeheartedly contribute to the Indore Climate Mission to make Indore No. 1 in curbing carbon emissions. The Mayor lauded the prompt action.

EXPERIENCES OF DIRECTOR , SHRI M G PARANJAPE SIR

With seasoned hands and a warm smile, our Director, Shri M G Paranjape shared his life's wisdom with the children passing on his rich legacy to them.

It was a sight to behold as he shared nuances and passed on his expertise about playing tennis, gained from decades of experience, with patience and kindness.

The children listened intently with sparkle in their eyes, soaking up the knowledge as they learned. Forever in respect for Sir.

Continuous professional development for teachers enhances instructional quality, ensuring that they stay updated with evolving educational practices and technologies. Such trainings further prepare the educators with the skills and strategies necessary to foster student success and adapt to diverse learning needs.

TeachCamp

A delegation of 16 teachers from our school attended the TeachCamp, world's largest intensive teacher training camp at Daly College. Eminent educationists across the globe will be conducting Master classes to equip the educators with new insights, leading them to be fully recharged and ready to revolutionise teaching and learning.

This is not be just a teacher training programme but is an attempt to set a World Record of being the largest teacher training programme.

Capacity Building Program

Our School Counselor and children had a wonderful opportunity to attend the 2 day Capacity Building Program for Counselors and Teachers organised by Daly College under the aegis of CBSE.

It was a great learning experience and they also enthusiastically participated in a quiz there.

Hard Work Pays off

A word of cheer and gentle reward guides the mind and heart positively.

Principal, Dr. Anju Chopra felicitated Shreshtha Sharma, Vagesha Bajpai, Yasheta Thakur, Divisha Joshi, K Saanvi Rao, Bhavya Shalia for their impeccable compering during the Annual Function and Bhavika Agrawal for her zealous effort in compiling the 'Energy Saving- Sai Tribune'.

Little Champs of Bal Mandir

Motivation is the driving force that turns dreams into actions and actions into achievements.

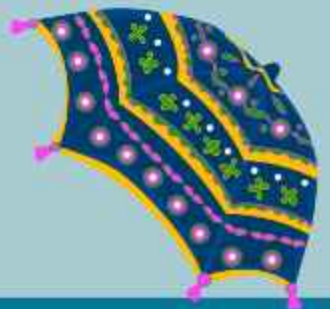

Principal, Dr. Anju Chopra, felicitated the cute little Aaradhya Jagtap & Advik Patwa, anchors of the Cultural Programme in the Bal Mandir Annual Function and Yuva Siyal for their efforts and hard work.

Little Champs of Bal Mandir

Principal, Dr. Anju Chopra felicitated the children who had played the role of 'Puppets' in the Annual Function. Their graceful and enthralling dance moves had amazed the audience.

CHILDREN'S DAY *celebration*

'Children are the living messages we send to a time we will not see'

Like every year Sri Sathya Sai family celebrated Children's Day with much fun and frolic.

The program began with Omkar, soulful bhajans and prayers.

Thereafter, our guiding light Sathya Sai Baba's discourse was presented by the teachers.

Fun began when the teachers presented humorous news, melodious parody, solo singing performance and mellifluous group songs.

Chucklesome Skit presented by teachers left the children spellbound. Our beloved Principal Dr Anju Chopra addressed the audience with her encouraging words and wishes. The programme concluded with Baba's sacred Aarti which encompassed the campus with blessings.

QUIZ TIME

An exciting and informative Inter House Quiz competition on Artificial Intelligence (AI) / Information Technology (IT) and Energy Swaraj Yatra -Indore Climate Mission was organised for the children of classes V - IX.

The quiz aimed to engage students with fun yet challenging questions that sparked their curiosity and interest in technology. It involved multiple rounds including: General awareness, Audio Visual round, Personalities, Logical round and questions based on the nine tips given by Mr. Chetan S Solanki. The participants demonstrated excellent teamwork and quick thinking skills.

The purpose of the quiz was to test students' knowledge about the advancements in AI, IT, and Energy conservation, to promote alternate usage of solar energy as well as to promote awareness about the significance of these fields in today's world.

Final results-

Ist position - Ganga House

II nd position - Narmada House

III rd position - Yamuna House

IV th position - Kaveri House

SAI UDYAMI IX

Sai Udyami IX, one of the most awaited events of the year was organized on Tuesday, 24th of December 2024 in the School Auditorium.

CA. Shyam Bhatia, Honorary Treasurer and Shri M.G. Paranjape, Director jointly inaugurated the Sai Udyami IX by releasing a bunch of balloons and cutting the inauguration ribbon.

The fest was organized, coordinated and executed by the students of classes XI & XII under the flagship of respected Principal, Dr. Anju Chopra.

Sai Udyami IX provided an opportunity to the students for entertainment, education, networking and learning entrepreneurship skills. Students had put up attractive stalls of food items and interesting games, which were appreciated by all.

The most striking feature of Sai Udyami IX was the theme of GO GREEN. The event was planned and executed following the principles of sustainable development.

In his speech, the Chief Guest CA. Shyam Bhatia, congratulated the Principal, Dr. Anju Chopra, the teachers and the students for the impressive fest and motivated the students to become successful in their lives and make the world a better place to live for others, by following Sri Sathya Sai Baba's philosophy.

He then planted a sapling in the school campus, furthering the cause of sustainable development.

The fest was coordinated by Ms. Sheetal Agrawal and the entire Commerce Department.

INTRAMURAL SPORTS

Intramural sports tournaments give a platform to the children to showcase their skills and team spirit. Inter-House Intramural Sports Tournaments were organised for the children of classes V-IX.

INTERNATIONAL DAY AGAINST VIOLENCE AND BULLYING

**"Where the mind is without fear and
the head is held high..."**

**In the nurturing environment of our
school, the values of non-violence and
compassion flourish, inspired by the
teachings of Bhagwan Baba. On the
occasion of International Day Against
Violence and Bullying, our students
eloquently expressed their commitment
to peace and courage through:**

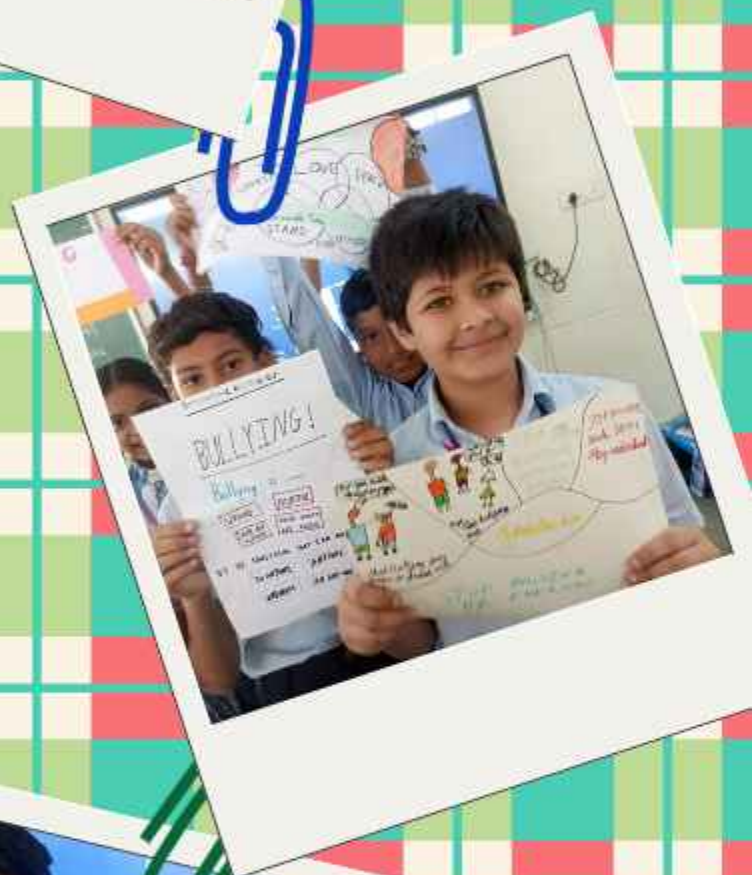

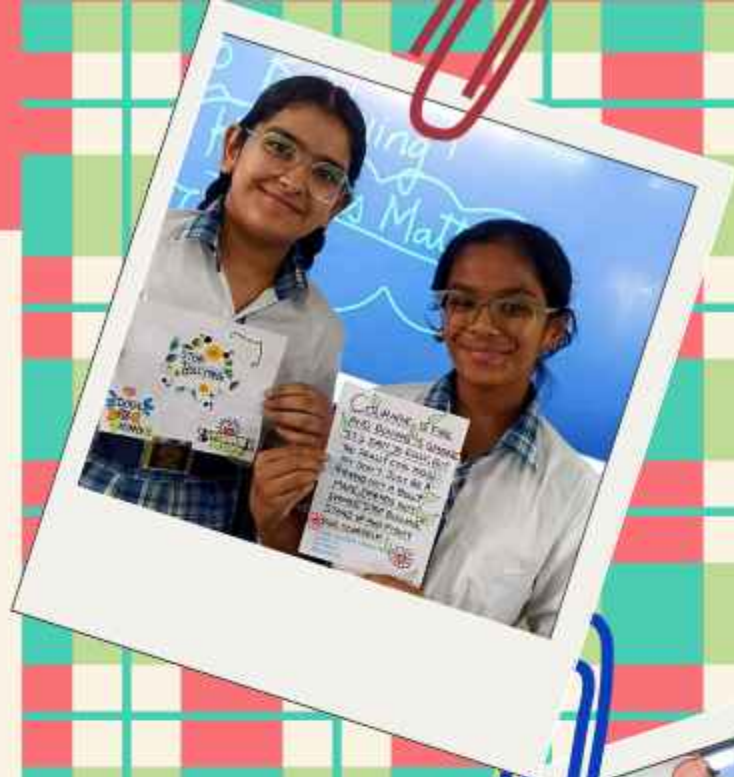

- 
- Powerful slogans**
 - Thought-provoking posters**
 - Composing heartfelt poems**
 - Role plays**
- 

**Their innocent yet resolute voices
echoed the importance of:**

- Embracing empathy and kindness**
- Standing up against bullying**
- Promoting a culture of non-violence**

**Join us in promoting a violence-
free world.**

BEST OUT OF WASTE

As part of the ongoing "Energy Saving Mission Indore," Class VI students actively participated in a "Best Out of Waste" initiative. The students creatively used discarded materials such as plastic bottles, newspapers, and old clothes to craft innovative and useful items. Through this project, they demonstrated their creativity while learning the importance of reducing waste and conserving energy. By reusing materials, the students not only contributed to environmental sustainability but also gained a deeper understanding of how such efforts can play a significant role in energy conservation and waste management in the community.

NUKKAD NATAK

Children of class VI presented a Nukkad Natak titled " Energy Saving Mission " to raise awareness about energy conservation. The play highlighted key issues like reducing usage of electricity, water conservation, adopting solar energy and managing waste.

The students also confidently answered questions, demonstrating their knowledge on energy-saving practices.

SAVE ENERGY SAVE OUR FUTURE

Visual Presentations on Climate Change and Energy Conservation as Infographics was performed by the children of class VI. The students created informative and engaging PowerPoint Presentations (PPTs) on Climate Change and Energy Conservation, highlighting the devastating impacts of climate change on our environment and emphasizing the importance of collective action to mitigate its effects with a strong data-base.

It mainly focused on -

1. **Climate Change Impacts:** Students effectively presented the far-reaching consequences of climate change, including rising sea levels, intense natural disasters, melting glaciers, and extreme weather events.
2. **Energy Conservation Strategies:** The presentations showcased various ways to reduce energy consumption and promote sustainability, such as using renewable energy sources, increasing energy efficiency, and adopting eco-friendly habits.
3. **Visual Aids and Graphics:** Students incorporated engaging visuals, diagrams, charts, and images to support their presentations, making complex concepts more accessible and easier to understand.
4. **Call to Action:** The presentations concluded with a strong call to action, encouraging the audience to adopt environmentally conscious habits, reduce their carbon footprint, and contribute to a sustainable future.

SPINNING WORKOUT FOR CARDIOVASCULAR ENDURANCE (CLASS VII)

Movie Time

Children of class V watched the movie 'Parmanu' as a part of learning about "Exploring Space." The movie introduced them to satellites and their role in scientific advancements. Post-screening, the students actively participated in a Q&A session, answered questions excitedly, exhibiting great curiosity about satellites and space technology.

This activity enhanced their understanding of space exploration and intrigued their interest in science.

FAREWELL- 2024-25

Class XII batch of 2025, was given a warm farewell, as they are now ready to step out into the world beginning a new chapter of their life. The atmosphere was filled with nostalgia and good wishes. The event began with an inspiring address by the Chairman, Dr. Ramesh Baheti, who encouraged the children to embrace future challenges with confidence. He also shared tips for being successful and urged them to carry forward the legacy of excellence exhibited by their predecessors.

The Principal, Dr. Anju Chopra extended her best wishes for their future endeavours motivating them to tackle digital diversification and avoid procrastination. She further recommended that they must focus on building their brand in their 20s through hard work and perseverance, so that in their 30s and 40s they can capitalize on it and thrive. The Director, Shri M G Paranjape in his address told the children to remember the lessons learned, the friendships forged, and always strive for goodness.

The event planned and managed by the class XI children was replete with heartfelt speeches, cultural performances, exciting games and the ceremonial cake-cutting. The evening concluded with emotional goodbyes, leaving students motivated with the message that the world is their canvas and they must paint it with their dreams.

CHILDREN'S DAY

BAL MANDIR

The Children's Day celebration was a resounding success, showcasing teachers' creativity and love for children. Teachers presented a poem, vibrant dances and a parody.

CHRISTMAS CELEBRATION

Bal Mandir

TREE OF DREAMS

The children welcomed Santa in a unique way – an energy-efficient habits and wish list activity! The event aimed to promote eco-friendly practices among children while celebrating the festival. Santa Claus himself shared eco-friendly tips with the children.

The children expressed their feelings and thoughts through a letter to Santa.

QUIZ WIZARDS

BAL MANDIR

Quizzing is a fun and engaging way to test knowledge, encourage learning, and build teamwork skills.

Interhouse quiz was conducted for children of Balvatika-3 to grade -IV.

The event reinforced school commitment to fostering academic excellence, critical thinking and intellectual curiosity.

Panel Discussion

A panel discussion was organised for children of classes III & IV. The event aimed to encourage critical thinking, collaboration, and effective communication among children. It was moderated by children themselves and active participation of the children could be seen as they posed thought-provoking questions and engaged in a lively discussion.

The event was a resounding success, with children demonstrating their ability to think critically, listen actively, and express themselves confidently.

PANEL DISCUSSION

A captivating and enlightening Inter-House Panel discussion unfolded, tailored specifically for the inquisitive minds of grade III and IV children. The pivotal topic of "Energy Saving and Climate Mission" took center stage, as the young visionaries presented an array of innovative ideas for conservation.

With unwavering enthusiasm, the children delved into the realm of recycling and reusing resources, pledging to safeguard the well-being of Mother Earth.

"Save Energy , Save climate "

Children of classes I & II participated in an engaging and interactive panel discussion, designed to nurture their communication skills and encourage critical thinking.

The topic:
"Save Energy, Save Climate" provided a platform for young learners to express their thoughts and listen to their peers.

The panel discussion was a wonderful learning experience for the children.

SPORTS WEEK

Bal Vatika

Diversity is Strength

**In India's land, diversity thrives,
Like stars that fill the night skies.
In India, colours bloom so bright,
Like a rainbow after rain's delight.
People from north, south, east, and
west,
Each unique, yet together blessed.
People of every shade and hue,
Different cultures, old and new.
In our differences, we find our
power,
Together we bloom like a flower.**

BEAUTY LIES IN THE EYES OF THE BEHOLDER

One day, while walking in the park, I met an elderly man who was feeding corn to pigeons. He had a kind smile and twinkling eyes. As I saw him, he kindly offered me to feed the pigeons too. Curious, I asked him why he enjoyed feeding pigeons. He smiled warmly and said, "To me, each pigeon is unique and beautiful. They remind me of freedom and peace." I nodded thoughtfully, realizing that the elderly uncle found beauty in simple moments.

As we talked, I shared my love for swimming and how swimming made me feel happy and refreshed. Uncle listened intently, nodding in agreement. He said, "You see beauty in water, waves and exercise! That's a gift."

Later that night, as I prepared to sleep, I thought about my conversation with the uncle at the garden. I realized that beauty truly lies in how we perceive things. Whether it's feeding pigeons, reading stories, swimming, painting or simply smiling at someone, beauty can be found everywhere, if only we look with open hearts and mind!

**-Maitri Mishra

WIND

Mesmerising sounds echoing in the
ear

So graciously heart gazed in cheer
Trees swaying with the magical
wind's flow,

And flowers dancing in a row

A timid girl with joyful smile

But with a fear that it will go off in a
while,

Grateful at the same time for
observing

And hearing the peaceful winds in a
chime,

Though these can be stealthily
dangerous at times,

But trust me, it will stay my
favourite of all time

Avika Parashar

UNITY

Once upon a time, there lived
'Akhand Bharat'

Where people didn't know sorrow...
But who knew about the dark ages of
tomorrow?

Pain and torture were one's diet!
They divided us, as one might
We tried to fight but ended up
broken

into Pakistan and India

Making our blood brother our enemy!
Adding a blood-smeared page to the
History...

Torment and Terror is all we have
got,
Not to mention about families who
have lost.

A bond being broken led to wars!
At that time, if we didn't fall apart,
Pakistan could be near our heart....

Kargil War is one of the pieces of
evidence...

**"UNITED WE STAND AND DIVIDED WE
FALL"**

Suhani Kothari

THE WORTH OF EVERY PENNY

In your dark inky phase, you need me to stand as light.

In your yearn for food, you need me to fulfil your appetite.

In your small bruise's pain, you need me to aid.

In your discomfort from sun, you need me as a shade.

In your thirst for water, you need me to satisfy.

In your need for clothes, you need me to buy.

Even though, I am given for a no good purpose.

And then your regret won't be righteous.

You are killing your earnings, every moment unknowingly.

You spend me, and my family on unneeded expenses flowingly.

My friend, don't give me away, day by day, unnecessarily.

I am the dust once flew away by you, won't last enduringly.

My every letter has a tale to tell, edifying you my significance.

With me, your inner heart would spread resilience within you.

Spend me where you find the realm of your heart's pleasure.

Spend me where something uplifts your spirit and make it shiner.

Spend me where something pleases your inner mind.

Spend me to erase negativity and give you a divine mind.

Spend me where you get endless positivity within you.

If I am spent for all this, your life would be filled with a happiness hue.

My right use, will help your nation grow prosperous.

My right use, will fill the breaths in one another.

If you won't have a hunger of me, then I'll bless you.

If you won't have a hunger of me, then your soul would be pure as new.

continued.....

I am the teacher, I am the grantor,
I'll make you virtuous.

My yearn, would edify you to be
grounded when with you I'll be
superfluous.

With great love, if you save even a
single me in that empty piggy bank,
I'll multiply.

Dreams of yours, wishes of yours,
wanting of yours, this saved
amount will supply.

If you're a tree standing still in the
dense forest, then I am the leaves.
I'll first be less, but gradually will
multiply, but then for some reason
you'll cleave.

If the reason is good, I'll grow once
again on you, but the bad will leave
you alone.

And soon you would be a dry
withered tree, and to you my yearn
would only be known!"

भगत सिंह

शहिद भगत सिंह

न प्यार था धन से, न प्यार था तन से
उन्हें तो बस प्यार था अपने वतन से।
जब जलियाँवाला बाग हत्याकांड का सुना नाम,
अंग्रेज़ों को धूल चटाने का तभी मन में लिया ठान।
सेंट्रल असेंबली में उन्होंने फेंका बम,
यह दिखाने के लिए कि वह किसी से नहीं हैं कम।
उनका साहस देख अंग्रेज़ भी हुए हैरान,
वीर भगत सिंह सच में ही थे इतने महान।
२३ मार्च को अंग्रेज़ों ने उन्हें दे दी फाँसी।
देश की खातिर हँसते-हँसते दे दी उन्होंने अपनी जान।
ऐसे वीर शहीद भगत सिंह को कोटि-कोटि प्रणाम।
मैं सारा,
आज लिख रही हूँ, भगत सिंह पर कविता इस स्याही
से,
पर यह स्याही तो कुछ नहीं उनकी कुर्बानी के खून की
स्याही से।

- सारा जोशी

१० अ

प्रकृति की काव्यात्मक छवि

सूर्य की किरण से जब चमक उठा था झरने का जल,
खग के कंठ से जब फूटे थे ये प्रेम के स्वर।
खिला पुष्प खुशियों का जैसे गिरता है निर्झर,
सूर्य भी ढूँढ़ता फिरा अपनी परछाई हर डगर।
रात जब ले डूबी थी सारे दर्द और दुःख,
ले आई थी सूर्य की पहली किरण जब अनगिनत सुख।
फैलाकर अपने पंख उड़े पक्षी भरे थे अनेक रंग,
उठाकर तब देखी थी जानवरों ने सपनों की पतंग।
ये लगता होगा जादू का महल या फिर सुंदरता का
खजाना,
परन्तु मित्रों, ये तो है जगत की प्रकृति जिसे अपने मन
की बातें हैं बताना।
